Coordinate a meeting with your NY Congressional Representatives and other elected officials.

Ask the NYS Gun Safety Coalition to help you plan an event.

Participate in a Town Hall

Organize an educational event about CCR for your community (within and outside of NYC).

Share information about CCR via strategic social media campaigns

Join the NYS Gun Safety Coalition's Rapid Response Team

Get notifications about phonebanking opportunities. Participants will call constituents in key states and urge them to tell their representatives to vote NO to CCR. Virtually participate from the comfort of your home or join an organized phonebank gathering.
