

**WE NEED YOU TO PUSH NEW YORK REPRESENTATIVES TO PASS
BACKGROUND CHECKS TO SAVE LIVES.**

Last month's Senate vote to reject background checks on commercial gun sales was a disgrace. Meanwhile, people continue to die – more than 3700 since Newtown. The House has an identical bill, sponsored by Peter King (R-NY) and Mike Thompson (D-CA), **H.R. 1565**.

But there are some NY Congressmen who need a push from us to back this common sense measure that is supported by 91% of Americans. The gun lobby will try to do everything it can to block this bill.

That's why our congressional representatives need to hear from you today. **Background checks save lives!**

Step 1: Please call, email and tweet the following New York congressmen and ask them to:

- Support **H.R.1565** and
- Tell them to resist gun lobby pressure to water down or block this legislation.

Chris Gibson (Dist 19) - 202 225 5614; twitter @RepChrisGibson

Richard Hanna (Dist 22) – 202 225 3665; twitter @RepRichardHanna

Tom Reed (Dist 23) – 202 225 3161; twitter @RepTomReed

Step 2: Call the House and urge your own Representative to co-sponsor **H.R.1565**. To find out who your U.S. Representative is and where to reach them, go to: <http://www.contactingthecongress.org/>
